Fall schedule included

Athletic programs to be expanded

Increased sporting interests have led to a newly expanded athletic program at Avila College. The college plans to expand both its intramural and intercollegiate programs beginning this Fall.

This year the intramural program will offer volleyball, basketball, and tennis for the men and touch football, basketball, and softball for the women. Plans are also being drawn up for a mixed volleyball team later in the Spring.

"We had a good turnout last year when we only offered volleyball so we're looking for things to be quite a bit better this year; especially with the addition of a full time director," Coach Bill Waris said. "This year we were looking for sports, team sports primarily, that the students would be interested in and would have time to participate in. Along with this we plan to offer some individual championships in ping pong, pool, and the like."

The school is also working to make gym facilities available for students who are unable to participate in the team sports or who are just looking for a place to work out. These facilities and the athletic programs are free to Avila students. A swimming fee would be required if a swimming program is established but according to Coach Waris "it seems questionable at this time."

On the collegiate level competition is going to be tougher.

"The basketball team is going to be playing a tougher schedule against some of the major small college teams in our area that have had established programs for quite a while," Waris said. "We're at the point after one year that it should have taken us five years to get to."

This is going to be the first year that Avila has sponsored a women's intercollegiate program. The women will participate in basketball, tennis, and volleyball and the men will again have basketball and tennis.

Coach Waris encourages anyone to try out for the teams. "Any team is always open to anyone. We have some scholarships coming in for the basketball team but there is still plenty of room."

Summer is great for boating.

Will Chatham new Director of Admissions

By MARILYN ESSER
Will Chatham is the new Director of Admissions at Avila College and will also assume the helm in the Financial Aids department.

Originally from New York, Will graduated from Loras College at Dubuque, Iowa, in 1971 with a B.A. in Business Administration after ex-

Avila's continual growth and development.

"I've always enjoyed working with people," he said. "I think you need to have a genuine concern for the other person in order to be effective."

Even though the Business Department has done a great job in increasing male enrollment, Chatham feels that more facilities are necessary to keep the enrollment moving upward. He sees the development of the intercollegiate sports program for men and women as a good move in the right direction.

Personally, Will would like to stimulate enthusiasm in the new students so they will stay and complete their education. He stressed the importance of communication between students

Will Chatham

perimenting in several fields including Hotel Restaurant Management. Prior to coming to Avila, Will was the Director of Admissions and Financial Aids at Merrycree College in Davenport, Iowa.

Chatham chose Avila over several other possibilities because he felt that Avila's growth over the past ten years has been tremendous in comparison to so many small Catholic Colleges that have had to close down. Chatham felt that all his contacts with Avila have been positive and he would like to be a part of

and the administration.

"The students need to be aware of what is directly affecting them."

In his role as Financial Aid Director Chatham plans to reduce the amount of paper work involved in applying for financial aid.

"Many things affect the awarding of financial aids to the students," he said.

Chatham plans to inform students of their eligibility in applying for financial aids and has some other ideas for streamlining the system even more.

'Psyched Up'

Over forty Avila students, including psychology majors, minors, and others interested in human behavior, belong to Avila's Psychology Club. Last year the Psychology Club organized programs on Biofeedback and Dance Therapy, several field trips, and socials. This year under the leadership of an all new executive committee the plans should be even better. The plans include:

August 29 - September 2 — American Psychological Association Convention, Chicago.

September 12 — Group Awareness Encounter.

October - November — Biofeedback Training with Dr. Eggars.

October 25 — Human Sexuality.

November 3 — Movie

December 13 — Barn Dance

February 13 — Hypnosis Symposium

March 20 — Surprise Speaker

April 23 — Career Planning in Psychology.

For further information stop by the Psychology Department. We are interested in you and your ideas.

The campus seems nearly deserted during the August heat.

Finland is restful

By KEN LOVE
Special Correspondent

Some Americans, on a holiday abroad, feel they must receive maximum return for their travel dollar investment. They overload their days with continuous sightseeing and push the after-dark hours into the wee morning ones with nightlife. In the end, they return home exhausted, often crying for a need of a rest. We hate to admit that we were guilty of this, when we first started the overseas circuit.

Others, who admit fatigue from working all year and coping with the stress of daily living, prefer an annual vacation out of the country, away from ringing phones as an escape, choosing this time to relax and regenerate.

If you fall into the latter category, a trip to Scandinavia this year can prove the most revitalizing of your life. We might suggest Denmark, Sweden and Finland as a trio package — but on second thought, why not just a trip to Finland?

The visit is worthwhile if you have as little as two weeks to spend. Or as many as six. Don't forget, at this time of the year, you get an extra bonus anyway, for in Finland, there is almost 22 hours of daylight each day.

Of course, you'll do the normal amount of sight-seeing. You should. There's plenty to interest you in park-filled, flower laden Helsinki. The hotels are ultra-modern and conveniently located in 'midtown'.

Smaller hotels are scattered around the center of the city and in the residential areas also. These are

charming and quiet and lend themselves to a leisurely paced tempo. If you feel lazy, and don't want to stroll, just hop aboard a trolley, and for next to pennies, take a delightful tour of the city, with a taped recording pointing out in English the highlights of the sophisticated capital which so artfully blends the old with the new.

In the capital city, you'll find excellent shopping and at agreeable prices. Even now, there are bargains in costume and genuine jewelry, textiles, crystal, furs, boots, rugs and other of the country's national products. You don't have to be saddled with packages, either. Many of the Helsinki department stores will ship your purchases home, with 11 per cent discount, to boot.

If you favor the gastronomic route, you'll be pleasantly surprised to find Helsinki abounds with excellent restaurants and hotel dining rooms, cuisine ranging from Finnish specialties, Chinese, Balkan and Russian fare, to Continental and even American. Don't be too surprised if you find steaks as good as any you've had right here in Kansas City.

A piece de resistance to the Finnish holiday is the

vacation within the vacation you can have. In Finland, you are in a country of 60,000 lakes and 30,000 islands. Why not make the most of it? Plan a cruise while you're in Finland.

No matter how long or short your stay, you can still make one of the cruises scheduled this summer.

If you've ever taken a cruise, you know what we mean. From the moment you board the ship, you'll know the true meaning of quiet, tranquility, peace. Basking on the ship's sun deck as she glides over the smooth, blue lake waters, dotted with hundreds of islands, you'll feel relaxation overtaking you as never before.

On these cruises, the ship is used as your hotel. Chances are great you'll become addicted after your first cruise. We know several Olatheans who take a cruise somewhere every year, if possible.

So if you're planning a trip to Europe anytime in the future, consider adding Finland to your itinerary. You'll get your money's worth, even without the hectic schedule of other tours. And you won't awaken each morning, saying to yourself: "This is Tuesday, so it must be Helsinki!"

Academic expansion for Avila College

Under the leadership of the graduate committee (Dean Richard Scott, Sr. Marie Georgette, Linda Cox, Barbara Myers, and Dr. Elaine Brand) Avila College has been designing a Masters Degree in Special Education. The College is initiating its graduate program by offering two Masters level courses, Educational Assessment and Behavior Management, this Fall. The courses have been accepted by the North Central Accreditation Association and are transferable to a number of graduate schools including Kansas University.

The graduate committee hopes that Avila will grow from an accredited Masters in Special Education to an umbrella Masters program that enlarges upon the strengths of the existing Education and Psychology curricula. The umbrella program would include Masters education in specialized fields such as Family Relations, Education of the Handicapped, and Communications.

We're interested in you and your ideas. We're looking for writers, too.

ACADEMIC CALENDAR - 1975-1976

First Semester, 1975-76

August 26	Evening Registration for part-time students
August 27	Evening Registration for part-time students
August 28	Resident Students arrive. Residence Halls open 12 noon
August 29	Registration for full-time students: Seniors and Juniors - a.m. Sophomores and Freshmen - p.m.
August 30 and 31	All-campus Orientation
September 1	Labor Day
September 2	Classes begin
September 5	Mass of the Holy Spirit. 1:00 p.m.
October 17-19	Avila Day and Mid-semester Break (no classes)
October 20	Classes resume
November 12	Interim, 1976, registration and pre-registration for second semester (no classes)
November 25	Thanksgiving recess begins after last class Residence Halls close 11:00 p.m. Residence Halls open 1:00 p.m.
November 30	Classes resume
December 1	Registration for second semester
December 15	Last day for filing applications for senior comprehensives and degrees to be conferred in May, 1976, including those graduating in August who wish to participate in the May ceremony
December 15-20	Final Week Sessions
December 20	Christmas recess begins after last session End of first semester Residence Halls close 12 noon

Interim, 1976

January 4	Residence Halls open for Interim students 1:00 p.m.
January 5	Interim begins
January 28	Interim closes after last class
January 29 and 30	Registration for part-time and transfer students

Second Semester, 1976

February 1	Resident Students arrive 1:00 p.m.
February 2	Classes begin
March 19-20	Mid-semester date (no classes)
April 6	Pre-registration for first semester, 1976-77 (no classes) Senior comprehensive examinations
April 10	Easter Recess/Spring Break begins after last class Residence Halls close 4:00 p.m. Residence Halls open 1:00 p.m.
April 19	Classes resume
April 20	Final Week Sessions
May 15-21	End of second semester after last session
May 21	Commencement Weekend
May 21-23	Residence Halls close 12 noon
May 23	

Summer Session, 1976

June 11	Residence Halls open Registration for summer session
June 14	Summer classes begin
August 6	End of summer session after last class Residence Halls close

Hodes Education Center houses many children

By MARY JO WESTERMIER behavior disorders.

As you walk around the campus this year don't be surprised if you meet up with a number of young people half your size. While it may seem like they're coming to college at a younger age these days, in reality you're mixing with the population of the Hodes Education Center.

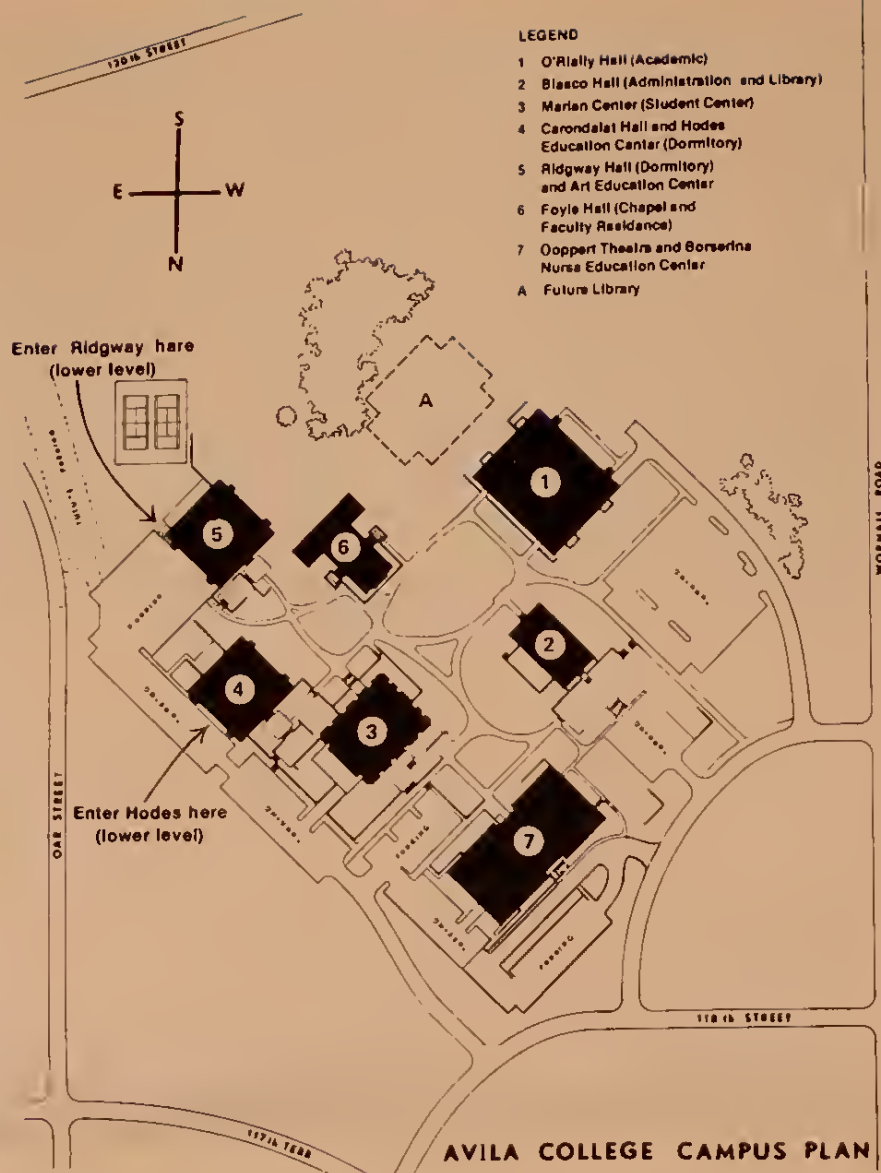

The Hodes Education Center houses three programs for children. The programs include the Child Care Center for children ages 2-5 whose parents attend classes at Avila; two Montessori classes serving preschool; and the Avila Learning Center which serves children from the ages of 3-8 who are developmentally delayed and who have learning and-or

The children in the Learning Center have special difficulties in learning and in controlling their behavior. Your interaction with these children can be very instrumental in helping them to grow. You will see the Learning Center students in many situations throughout the year and your understanding and perceptiveness will help provide many real-life learning situations for the children. The children enjoy the use of the college facilities and some of them know the campus as well or better than you do. It is a very good thing for them to be able to move freely across your campus and to be able to learn from you and with you.

The young Avila students are looking forward to seeing their old friends and meeting new ones. Everyone in the Learning Center would like to issue a special invitation to you to visit the Hodes Education Center-the place where the action really is!

Quotebook

My reading of history convinces me that most bad governments results from too much government—Thomas Jefferson.

AVILA COLLEGE

11901 Wornall Rd., Kansas City, Mo. 64145 (942-8400)

FIRST SEMESTER - 1975-76

RESIDENT STUDENTS ARRIVEAug. 28 (Thurs.)

REGISTRATION DAYS (Marian Center)

*Aug. 26 (Tues.) part-time students only in alphabetical order as follows:

IMPORTANT DATES FOR SENIORS

- Dec. 15 - last day for filing application for senior comprehensive and degree
- April 6 - Senior Comprehensive Examinations
- May 21-23 - Commencement Weekend

American Chemical Society

The student affiliation of the American Chemical Society has several activities planned this Fall including a recycling project.

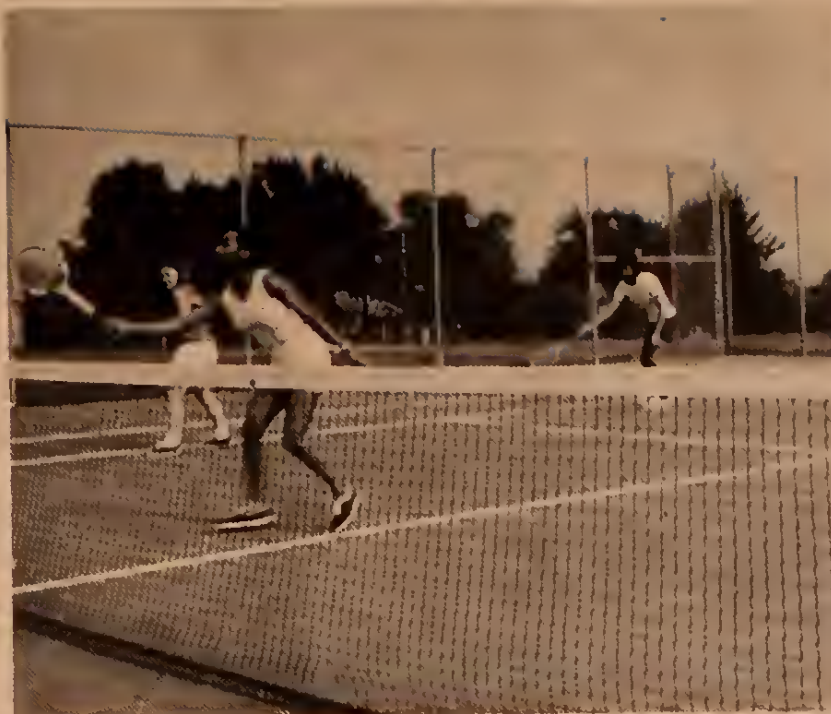

In the laboratory a student from Lincoln High School is presently doing some research as a part of the Urban Inner City Project 'Catalyst.' She has been doing analyses of caffeine, various types of tea, Vitamin C, and various juices.

More math

Since such a large number of incoming freshmen last year had inadequate math backgrounds for their science related subjects, a course entitled 'Basic Math for Science' will be offered this fall. Students who have had little math in the past or are unsure about their abilities are encouraged to take this course. It will start the first week of the Fall Semester and will meet once a week.

Special Education

The Council of Exceptional Children (CEC) is a campus organization whose members are Special Education majors. CEC has a wide variety of activities planned from parties for the Learning Center children to the National CEC Convention which will be held in Chicago this Spring.

Tennis class at practice.

GRADING POLICY -

CREDIT HOURS AND GRADING SYSTEM

Grades	Points per semester hour
A - excellent	4
B - good	3
C - average	2
D - below average	1
NC - no credit (academic assessment made--student deserving of no credit)	0
--not computed in the grade point average	
W - official withdrawal (without academic assessment up to and including the day before the final class evaluation or examination)	0
Au - audit (courses may be taken as audit with the approval of the instructor--student may withdraw from the course or change a credit course to audit up to and including the day before the final class evaluation or examination--student may also change an audit course to credit with the permission of the instructor)	0
P - Pass (equivalent to A, B, C under the Pass or No Pass option)	D
NP - No Pass (equivalent to D or NC under the Pass or No Pass option)	0
(Courses may be taken on the Pass or No Pass option with the approval of the instructor and the major adviser. Permission forms are available in the registrar's office. This option may be contracted with the instructor up to and including the day before the final class evaluation or examination. The instructor records the final grade as Pass or No Pass only. A Pass or No Pass grade may not subsequently be converted to a standard letter grade.)	

Revised Incomplete Policy -

I - Incomplete - if the course work required for a grade is not completed within six weeks after the close of a session, the grade of incomplete will remain and cannot subsequently be changed to a standard letter grade. There is a fee of \$5.00 to change a grade of Incomplete to a standard letter grade - forms are available in the registrar's office.

The basis for determining academic standing is the point-hour ratio. It is obtained by dividing the total number of grade points by the total number of semester hours successfully completed, including transfer credit, excluding courses in which the grades NC, W, AU, P, NP, and I are recorded.

PROGRAM CHANGES AND WITHDRAWALS

Program changes and withdrawals are official when forms that are available in the registrar's office have been processed. All program changes must be officially made within one week of the date of change or withdrawal. Students who do not officially withdraw from a course will receive a final grade of NC (no credit).

Registration for a class must be made before the last day given for entering a class. (Before September 15)

The fee for each change made during the tuition adjustment period is \$5.00. There is no fee for changes made after the tuition adjustment period. (See Tuition Adjustment Policy in College Catalog.)

NEW STUDENTS - Those who wish to register as full-time or part-time (credit or audit) must fulfill all the requirements for regular admission: application, high school transcript, and official transcripts of previous college work. Only students who have never attended college must take the SAT or the ACT. Credentials are to be sent to the Admissions Office as far in advance of the registration dates as possible.

NON-CREDIT CLASSES - With permission of the instructor all classes may be taken for non-credit. No credentials required; no record kept.

Dance classes (per credit hour)\$53.00
 Phys. Educ. classes (per credit hour)... 53.00
 (includes the lab fee)
 Guitar Class or Voice Class 53.00
 Private lessons in Guitar, Piano, Organ,
 Voice - check fees
 All other classes (per credit hour)..... 20.00
 and fees as listed

CHILD CARE SERVICE -

800-1600 MONDAY through FRIDAY

Hodes Education Center - Room 705
 Children ages 2 through 5

For further information call the Education
 Center - 942-B400 (Ext. 261)

EXPENSES FOR FIRST SEMESTER

Previous semester charges must be paid in full before registering for this semester.

(Courses audited - the tuition & fees are the same as courses taken for credit.)

The following fees apply to full & part-time students:

Special registration (early or late).....\$20.00
 Deferred payment plan 20.00
 Late payment penalty 15.00
 Application fee (new students only) 20.00
 Lab fees (refer to fee list)..... ----
 Room & Board\$575.00
 (private room if available \$700)
 Checks returned 5.00

Full-time students (12-18 hours)

Tuition \$850.00
 Student Activity Fee 20.00
 Insurance (for 12 months) 38.00
 Tuition per sem. hr. over 18 53.00
 (or 19 hrs. if the 19th hour is chorus or dance.)
 Student Center fee 4.50

Part-time day students Mon. through Fri. (1-11 hrs.)

Tuition per hr. (includes Stud. Activity Fee).. 53.00

Part-time evening students (after 1700) &

Saturday students (1-11 hours):

Tuition per hr. (includes Stud. Activity Fee).. 35.00

GRADUATE CREDIT- Tuition per hour (400's) 60.00

(CHECK THE PAGE OF LAB FEES - FULL & PART-TIME STUDENTS)

TRIAL WORKSHEET - CLASS SCHEDULE

Student No. _____

Name of Student _____

This worksheet is to be worked out with the assistance of your academic adviser, if you have not pre-registered, before you complete your final registration card. After you have copied your schedule on the final registration card, this is your copy.

It is important that you list your courses according to the times as listed and according to the sections as listed. (Example - BU 041 B - time 1740-2000 W)

Dept.	Course No.	Title of Course	Sem. Hrs.	Time	M	T	W	R	F	S	Room

PLEASE CHECK THE CLASS CHANGE LIST
BEFORE YOU REGISTER

REGISTRATION PROCEDURE (credit & audit classes)
(Procedure for non-credit registration at the bottom of this page.)

NOTE: It is very important that you use your full legal name on all forms and complete each form completely and accurately.

CHECK OFF AS YOU
COMPLETE EACH STEP:

MARIAN CENTER - CAFETERIA

- Obtain your registration forms & pre-registration card
(Use the final class schedule to complete your registration - there have been changes made in class numbers, room numbers have been added, etc.)
- Complete registration forms without detaching pages of the No Carbon Required forms. (Tables and chairs are available in the Cafeteria or you may use a classroom.)
- Complete each blank on each form. (Major, Minor, instructor's name and adviser's name if they have already signed your pre-registration, room numbers, etc.)

SIGNATURES REQUIRED:

- Adviser - new students
- students who did not pre-register
- students with changes made on pre-registration
(The adviser list by majors is posted on all bulletin boards.)
- Instructors - new students & students who did not pre-register
- classes added since pre-registration
(You are to notify instructors of courses dropped after pre-registration.)
- Academic Dean - only for permission to carry more than 18 hours

RETURN FORMS AND PRESENT INFORMATION IN THE FOLLOWING ORDER:

- I.D.'s (new students)
- Veterans Information (Veterans & dependents of veterans)
- Student Insurance & Health Records
- Tuition & fee assessment (students on financial aid or scholarships)
OR
Tuition & fee assessment (students not on financial aid)
- Return Student Data Sheet or Data Up-Date Sheet and White Registration Form.

NOTE: The bookstore will be open during the hours of registration.

NON-CREDIT REGISTRATION (see steps 1, 5 & 6 above)

- Obtain a registration card
--Obtain signature of instructor(s)

- Pay tuition & fees
- Return registration card

FACULTY AND ADVISERS WILL BE AVAILABLE at the following locations:

Education, Physical Education and PsychologyHodes Education Center
NursingBorserine Center
All other areasMarian Center, Lower Level

Gen. Robert E. Lee to become citizen

A house subcommittee the traditional Washington recently voted to restore red tape for 110 years. General Robert E. Lee "This is a good example of posthumously to full bureaucratic delay," Rep. citizenship after 110 years Hamilton Fish, R.-N.Y., said without a country. after the Judiciary sub-

The measure now goes committee voted to restore before the full house where it Lee to citizenship. Fish is a needs two-thirds approval in member of that committee. order to take effect.
